Definitions:

Commercial applicator means any applicator who has completed the requirements as determined by the board, including appropriate training and time in service, to apply for a certification, and who uses or supervises the use of any pesticide for any purpose or on any property other than as provided in the definition of private applicator.

Commercial applicator not for hire means any commercial applicator who uses or supervises the use of pesticides as part of his job duties only on property owned or leased by him or his employer. This definition shall also apply to governmental employees who use or supervise the use of pesticides, whether on property owned or leased by them or their employers or not, in the performance of their

official duties.
